

# 5<sup>th</sup> International Advanced ICAS Training Course

---

## Emergency Surgery (Course Signature 01-05-08)

---

**Date:** April 7-9, 2008

**Location:** University of Ulm, Germany

**Language:** German

### **Programme Directors:**

Prof. Dr. Florian Gebhard

Director, Department of Trauma, Hand- and Reconstructive  
Surgery, University of Ulm, Germany

Assoc.-Prof. Dr. Alexander Beck

Department of Trauma, Hand- and Reconstructive Surgery  
University of Ulm, Germany

### **Course Design:**

This course is designed for the specialist well versed in his respective surgical subspecialty who is confronted suddenly with surgical emergencies outside his own specialty. Therefore, the course is addressing special emergency problems in different anatomical regions. The course will include lectures in the most recent advances of traumatology and will emphasize practical exercises in cooperation with the Department of Anatomy as well as participation in surgical interventions. The participation in the course will be recognized by a certificate of the EACCME® (European Accreditation Council for Continuing Medical Education).

**Course Fee:** € 990,-

The course fee includes accommodation in single room from April 6-10, 2008 (four nights).

### **Further Details from:**
